

A Trip to

I am going to visit  
Otter Cove Children's  
Museum. It is in  
Fergus Falls.

In front of the museum,  
there is a colorful piano  
that I can play.

**Book Exchange**  
Have a book? Leave a book.  
Need a book? Take a book.

**Donations**

When I go inside, I will see a big mural of all of the Otter Cove critters.

I will go inside and check in at the Front Desk.

I will meet some of the people who work at the museum. They are called Play Workers. I will know who they are because they wear Otter Cove shirts or aprons. Play Workers can help me while I am visiting the museum.

I can put my bag, coat and any other things I bring with me in a cubby before I play.

The bathrooms are across from the cubbies and the water fountain. I may want to go to the bathroom before I start playing.

It is important to be careful with the toys and equipment in the museum. I will try to help clean up when I am finished so everyone gets a chance to use things.

Many people love coming to Otter Cove. It can get very busy. There will be times I will need to wait my turn. I will try to wait calmly or go to another exhibit.

It is important for me to stay with my grown up. They will make sure I stay safe in and around the Museum.

There are many fun exhibits for me to explore!

I can jump, slide,  
climb and crawl in  
many ways on the  
Lake Region Otter  
Romp.

I can pretend to catch, clean, measure, sort, and cook fish in the East Silent Lake Resort exhibit.

The Emily Johnson Pup Pond is an area for babies and toddlers to play. I need to play gently in this area.

# OTTER COVE MAIL ROUTE

MADE POSSIBLE BY LAKES AREA PEDIATRIC DENTISTRY

Use the map for mail deliveries to each critter around Otter Cove

Critters and Mailboxes  
created by  
Jenny Field

I can sort and distribute mail for the Otter Cove critters using the Lakes Area Pediatric Dentistry Mail Route.

I can pretend to drive or ride the Ottertail Coaches School Bus.

I can shop for fruits, vegetables, and dairy items at the Service Food grocery store.

I can pick vegetables and use the Cargill Produce Transport to bring them to the grocery store.

I can take care of all of the Otter Cove critters at Companion Animal Hospital.

I can examine and treat the Otter Cove critters' teeth at the Prairie's Edge Dental Clinic.

I can take a break and read lots of books in the Lundeen's Bookstore exhibit.

I can put on a show with costumes and instruments or I can report on the latest news on Swan Lake Stage.

There are several areas where I can explore wind, solar, and hydro energy using the Otter Tail Power Discover Energy exhibit.

I can take orders from customers and prepare sandwiches and cookies for them at Bimbo Bakery and Cafe.

I can use different tools and vehicles to scoop, shovel, and dump sand in the AgCountry and Gut Bugs Farm & Field exhibit.

I can do many different art and sensory activities in the Maker Shop.

The activities are different  
in the Change It Up Room  
every week.

My grown up will tell me  
when it is time to leave Otter  
Cove.

I wave goodbye as I walk out the door. I can visit again another day!
